Radford, Virginia 24141

RFAAP REGULATION 190—5
Change 1

9 September 2008

Military Police

TRAFFIC REGULATION

Reference Paragraph 7 subsection h: (Addition)

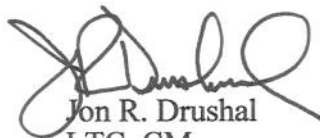

Operators found not in possession of the required documentation to operate vehicles on a federal/military installation under 32 CFR 634, Virginia State Law and this regulation will be subject to the following action as directed by the Installation Commander.

First Offense: Warning issued by Security with a corrective action requirement within 72 hrs

Second Offense (Same Violation): Issued a DD FM 1408 (Traffic Citation), assessed 2 traffic points and restricted from operation of a motor vehicle on the installation for a period of one week from the date of the citation.

Third Offense: Mandatory suspension of driving privileges for a period of one year.

Waiver Requests: Must be submitted through the supervisory chain of the employee to the Chief, Risk Management for decision to be made by the Installation Commander or his designated representative.
